PHONE (856) 784-1333 x4652

Mrs. Robynn Considine, VP Curriculum

Dear Parent/Guardian:

Sterling High School has a Title I program to support students that have been identified as needing additional help in Language Arts and/or Mathematics. A highly qualified teacher is available to provide supplemental academic tutoring after school at no cost.

Supplemental Educational Services (SES) are being offered through the STARS (Supplemental Tutoring and Academic Reinforcement Services) Center located at Sterling High School. The tutor will work collaboratively with the classroom teacher to ensure coordination of services. We will monitor your child's progress carefully. When your child has shown significant growth, you will be notified that your child will exit the program (entrance and exit criteria are attached).

Your child is not required to participate in or receive supplemental education services. Parents/Guardians who do choose to enroll their child should complete the attached form and return it to me as soon as possible. Your involvement in your child's education, along with our commitment to the success of all students should ensure a most successful school year. If you have any questions, don't hesitate to contact my office at the number above.

Sincerely,

Robynn Considine

Vice Principal- Curriculum

Sterling High School
Parent Request for Supplemental Educational Services

I wish to enroll my child in supplemental educational services provided free of charge at Sterling High School.
