Sterling High School's Special Education Parent Advisory Committee

On behalf of the administration for Sterling High School, I would like to warmly invite you to join our Special Education Parent Advisory Committee (SEPAC.) This committee gives parents the opportunity to provide direct input to Sterling High School on policies, programs, practices and services that have an impact on students with disabilities and their families.

Our first meeting for the school year will be on Monday, September 23 from 6:00-7:30 p.m. in the Media Center.

I am excited to announce that Dr. Jennifer West-Gavin will be presenting to us on the topic of "Anxiety." Dr. West-Gavin is a licensed Clinical Psychologist and Pediatric Neuropsychologist with her own practice in Marlton called Next Generation Neuropsychology, LLC. Check out her webpage: <https://www.nextgenneuropsych.com/>

I look forward to partnering with you and Dr. West-Gavin and I hope you will be able to join us on Monday, September 23 at 6:00pm. *Dinner and refreshments will be provided by the Sterling Education Association.* Please contact Ms. King, Youth Study Team Secretary, by Sept. 16 at (856) 784-1840 or at CKing@sterling.k12.nj.us.to let us know that you are attending and if you will be bringing children in need of babysitting. If you have any questions regarding SEPAC or would like additional information before we meet, please feel free to contact me, directly.

Thank you,
